Windmill Hill Adventure Playground is an inclusive play facility for children. We are 'Open Access' - this means that children and young people can come and leave as they please, join in with activities or choose something to play.

We're here for 8-14 year olds, providing space and an opportunity to play in a safe and stimulating environment. Under 8's are welcome but need to be accompanied by an adult (over 18). If over 8's are staying by themselves then we ask parents to complete a Registration Form for safety and security. Please come in and fill one in.

TERM TIME OPENING HOURS
